

CURRICULUM VITAE

LAWRENCE SCAHILL, M.S.N., MPH, Ph.D.

DOB 11/25/50

Rochester, NY

Professor of Nursing & Child Psychiatry, Yale University

Education:

- | | | |
|-------------|---------------|---|
| 1997 | Ph.D. | Yale University,
Department of Epidemiology & Public Health
New Haven, CT |
| 1989 | M.S.N. | Yale School of Nursing
Child Psychiatric Nursing
New Haven, CT |
| 1989 | M.P.H. | Yale School of Medicine
Department of Epidemiology & Public Health
New Haven, CT |
| 1978 | B.A. | Alfred University
Alfred, NY |
| 1977 | A.A.S. | Alfred State College
Alfred, NY |

Career:

- | | | |
|-----------------|--|-----------------------------------|
| July, 2006 | Professor | Yale University |
| September, 2005 | Acting Associate Dean for Scholarly Affairs | Yale School of Nursing |
| 2000-2006 | Associate Professor
School of Nursing, Child Study Center | Yale University
New Haven, CT. |
| 2000-1997 | Assistant Professor
School of Nursing, Child Study Center | Yale University
New Haven, CT. |
| 1997-1989 | Associate Research Scientist
Child Study Center | Yale University
New Haven, CT. |

Certification:

- | | |
|--------------|--|
| 1995-present | Advanced Practice Registered Nurse (CT 00164) |
| 1992-present | Clinical Nurse Specialist, Child & Adolescent Psychiatric Nursing
Amer. Nurses Association (0184110-02) |
| 1986-present | Registered Nurse (CT R40858) |

Professional Honors or Recognition:

- a) 2003 Fellow American Academy of Nursing
- 1998 Association of Child & Adolescent Psychiatric Nurses:
Clinical Practice Award
- 1997 Service Award, Westchester Chapter of the Tourette Syndrome Association
White Plains, NY
- 1995 New Investigational Drug Evaluation Unit (National Institute of Mental Health):
Young Investigator Award

- b) 2003 Annie Goodrich Teaching Award, Yale School of Nursing
- 1979 Phi Kappa Phi, Alfred University
- 1977 Orvis Award for Student Excellence, Alfred State College

Grant History:**Research Grants**

- 2005 Principal Investigator, Social Skills Training in Children with Pervasive Developmental Disorders. Renfield Foundation. One year grant, \$50,000 (direct costs).

- 2005 Principal Investigator, Behavior therapy in adults with chronic tic disorders. National Institute of Mental Health. Four-year multisite grant. Yale portion = \$175,000 per year (direct costs).

- 2004 Principal Investigator, Behavior therapy in children with chronic tic disorders. National Institute of Mental Health. Four-year multisite grant. Yale portion = \$70,000 per year (direct costs).

- 2004 Principal Investigator, Social Skills Training in Children with Pervasive Developmental Disorders. Organization of Autism Research. One year grant, \$27,000 (direct costs).

- 2003 Principal Investigator, Anger Control Training in Adolescents with Tourette syndrome and disruptive behavior. Two year grant, \$50,000 per year (direct costs).

- 2002 Principal investigator, Research Unit on Pediatric Psychopharmacology and Psychosocial Treatment. National Institute of Mental Health. Five year grant, \$300,000 per year (direct costs).

- 2002 Director Psychopharmacology Project in Studies for the Advancement of Autism Research & Treatment. National Institute of Mental Health. Five year grant, \$200,000 per year (direct costs) for Psychopharmacology Project.

- 2000 Principal Investigator, Parent Training in Children with Tic Disorders and Disruptive Behavior. National Institute of Nursing Research. Two year grant for \$50,000 per year (direct costs).

- 1998 Principal Investigator, Risperidone in the treatment of children and adults with chronic tic disorders. Janssen Research Foundation, one-year, educational grant, \$27,000 (direct costs).

- 1997 Principal investigator, Research Unit Pediatric Psychopharmacology for Autism. National Institute of Mental Health. Five year contract for \$250,000 per year (direct costs).
- 1996 Guanfacine in the treatment of Attention Deficit Hyperactivity Disorder and Tourette syndrome. Tourette Syndrome Association. One year grant for \$25,000 (direct costs).

Training Grants

- 2006 Sponsor of NIMH K Award for Denis Sukhodolsky, PhD
- 2005 Sponsor of NIMH F 32 Training Grant for Karen Bearss, PhD
- 1997-present Faculty member on NIMH Training Grant (T 32; James Leckman, MD, Principal Investigator). Have served as primary mentor for six post-doctoral fellows

Presentations (2000-present)

2000-01

Pediatric psychopharmacology: update and review Child Psychiatry Meeting, Athens, Greece – 10/00

Toward the development of an international consortium for psychopharmacological research in autism
Child Psychiatry Meeting, Athens, Greece – 10/00

Psychopharmacology research in autism: update and review.
Annual Meeting of the Korczak Foundation, Groningen, Netherlands – 3/12/01

Design issues in pharmacological research in children and adolescents with autism.
New Developments in Autism, Sponsored by Janssen Pharmaceuticals, Princeton, NJ – 3/29/01

Update on the Pharmacologic Treatment of Attention Deficit Hyperactivity Disorder in Children. Beyond the Basics: Advanced Psychopharmacotherapy for APRNS, Meriden, CT – 4/06/01

New approaches in the psychopharmacological treatment of autism. Pediatric Psychopharmacology, Robert Wood Johnson Hospital – 4/27/01

Research developments in pediatric psychopharmacology. Department of Pediatrics, University of Alabama at Birmingham – 5/03/01

Contemporary approaches to the treatment of ADHD. School of Nursing, University of Alabama at Birmingham – 5/03/01

Atypical neuroleptics in the treatment of Tourette syndrome.
Annual Meeting of the American Psychiatric Association, New Orleans, LA – 5/09/01

2001-02

Obsessive-compulsive symptom typologies in a pediatric sample (workshop presentation with 5 others)
Annual Meeting of the American Association of Behavior Therapy, Vancouver, Canada – 07/25/01

Kids and Psychotropic Drugs.

6th Annual Northeast Regional Psychiatric Nursing Conference, Kennebunkport, ME – 9/18/01
ADHD Across the Life Span: Update and Review 6th Annual Psychopharmacology Update: State
University of NY at Syracuse Medical Center, Syracuse, NY – 10/11/01

Pediatric Psychopharmacology: Principles and Practice (invited workshop) American Psychiatric Nurses
Association Annual Meeting, Reno, NV – 10/17/01

Multisite, placebo-controlled study of risperidone in children with autism
48th American Academy of Child and Adolescent Psychiatry Annual Meeting, Honolulu, HI – 10/26/01

Atypical antipsychotics in the treatment of Tourette syndrome.
48th American Academy of Child and Adolescent Psychiatry Annual Meeting, Honolulu, HI – 10/26/01

Tourette syndrome: Update and review (panel discussion with Jim Leckman)
48th American Academy of Child and Adolescent Psychiatry Annual Meeting, Honolulu, HI – 10/26/01

A multisite, placebo-controlled study of risperidone in children with autistic disorder NYU Child Study
Center Grand Rounds, New York, NY – 1/11/02

Assessment and Treatment of Tourette syndrome (panel discussion with Jim Leckman) 12th National Child
and Adolescent Psychiatry Congress, Istanbul, Turkey – 3/16/02

Psychopharmacology of PDD: Recent findings
12th National Child and Adolescent Psychiatry Congress, Istanbul, Turkey – 3/17/02

Tourette syndrome: Definition, prevalence, neurobiology (workshop) Annual Conference on OCD
Spectrum Disorders, Stockholm, Sweden – 4/18/02

Tourette syndrome: Assessment and Treatment (workshop) Annual Conference on OCD Spectrum
Disorders, Stockholm Sweden – 4/19/02

Linking Research to Mission (panel with Margaret Grey and Gail Melkus) Yale School of Nursing 2002
Alumnae/i Weekend, New Haven, CT – 6/07/02

Child Psychopharmacology: Improving Access to Effective Treatment National Conference on Children
and Adolescents, Promoting Access to Mental Health Services, School of Nursing, University of Maryland
– 6/11/02

2002-03

ADHD: Recent Findings and Recommendations (with Deirdre Carroll) American Psychiatric Nurses
Association, Dallas, TX – 10/07/02

Novel Issues in the Treatment of Severe Mental Illness in Children and Adults (with Norman Keltner and
Lawrence Scahill, MSN, Ph.D

Jan Findlay) American Psychiatric Nurses Association, Dallas, TX – 10/07/02

Pharmacological Management of Behavioral Symptoms in the Child and Adolescent Population
Pharmacotherapeutic Management of Severe Behavioral Problems in Children and Adolescents, Boston MA
– 10/18/02

Update on the treatment of Tourette syndrome American Academy of Child and Adolescent Psychiatry,
49th Annual Meeting, San Francisco, CA – 10/27/02

What's New on the Research Front?
Clinical and Scientific Conference
Annual meeting Tourette Syndrome Association, Alexandria, VA – 11/01/02

OCD in Children and Adolescents. Public address sponsored by the National Alliance for the Mentally Ill
of West Massachusetts, Holyoke, MA – 11/19/02

Design and conduct of clinical trials in child psychiatry (3 day workshop)
Institute for Cognitive Science and Tehran University, Tehran, Iran – 12/9/02-12/11/02

- Research Designs: Pros and Cons: 12/9/02
- Measurement Issues in Child Psychiatry Study Design: Part 1, 12/9/02
- Statistics: Sample Size and power, 12/9/02
- Designing trials for specific disorders, 12/10/02
- Critical Evaluation of Treatment Research, 12/10/02
- Practical Management of Clinical Trials in Children and Adolescents, 12/11/02

The use of atypical antipsychotics in children.
Greek Child Psychiatry Association, Greece – 12/14/02

Pharmacotherapy in Autism: Dead Ends and New Directions
New York Academy of Sciences, New York, NY – 5/20/03

Autism and Anxiety
Annual Conference Project TEACCH,
University of North Carolina, Chapel Hill, NC – 5/23/03

Child and Adolescent Treatment Issues ADHD
2nd Annual National Conference on Children and Adolescents. University of Maryland School of Nursing,
Baltimore, MD – 6/11/03

Recent Findings in Tourette Syndrome. Public address sponsored by the Tourette Syndrome Association of
Brazil, Sao Paulo, Brazil – 6/27/03

Research in Pediatric Psychopharmacology I
17th Brazilian Meeting of Child Neurology and Psychiatry, Vitoria, Brazil – 6/28/03

Research in Pediatric Psychopharmacology II

17th Brazilian Meeting of Child Neurology and Psychiatry, Vitoria, Brazil – 6/28/03

Conducting Clinical Research in Pediatric Psychopharmacology (workshop)

17th Brazilian Meeting of Child Neurology and Psychiatry, Vitoria, Brazil – 6/29/03

2003-04

Assessment and Treatment of Anxiety in Children with Medical Illness

2nd Annual Oncology Nursing Conference – Challenges in Adult and Pediatric Oncology, Oncology Nursing Council at Yale-New Haven Hospital, New Haven, CT – 10/04/03

Influence of Age and Tic Disorders on Obsessive-Compulsive Disorder (workshop) American Academy of Child and Adolescent Psychiatry – 50th Anniversary Meeting, Miami, FL – 10/15/03

Pharmacotherapy of Autism and Related Disorders (workshop) American Academy of Child and Adolescent Psychiatry – 50th Anniversary Meeting, Miami, FL – 10/16/03

Assessment and Pharmacological Treatment in Tourette's Syndrome (workshop) American Academy of Child and Adolescent Psychiatry – 50th Anniversary Meeting, Miami, FL – 10/17/03

Use of Atypical Antipsychotics Individuals with Developmental Disabilities

State of Illinois, Department of Mental Retardation, Southern Illinois University – School of Medicine, Springfield, IL – 11/21/03

Methylphenidate in children with Pervasive Developmental Disorders (workshop) American College of Neuropsychopharmacology, San Juan, PR – 12/08/03

Methylphenidate: Similarities and differences in response across diagnostic groups

Yale Child Study Center: Grand Rounds, New Haven, CT – 2/03/04

Methylphenidate: Similarities and differences in response across diagnostic groups

Johns Hopkins Child Psychiatry: Grand Rounds, Baltimore, MD – 2/18/04

Recent Advances in Assessment and Pharmacotherapy of Autism and ADHD (preconference workshop with Vanya Hamrin) 6th Annual Conference International Society of Psychiatric-Mental Health Nurses, Saint Louis, MO, 4/29/04

Psychopharmacological treatments of children with autism

New England Educational Institute: Training program for educators and mental health providers Westbrook, CT – 5/05/04

Visiting Lecture Series in Japan (June 16-25, 2004)

- Child Psychiatric Nursing in the US, Tokyo Women's Medical School (address given to graduate students in the School of Nursing), 6/6/04

- Nursing, Child Psychiatry & Public Health, Tokyo Women's Medical School (public address to

University community), 6/17/04

- Contemporary Treatment of Tourette syndrome, Presentation to the Tourette Syndrome Association of Japan, 6/19/04

- Pediatric Psychopharmacology, Okayama Medical Society, Okayama, Japan, 6/21/04

- Evaluation and treatment of Autism, Okayama Children's Hospital, Okayama, Japan, 6/22/04

- Current treatment of autism and future directions, Tokyo University, Tokyo, Japan, 6/24/04

- Role of Medication in Children with Serious Psychiatric Disorders,
91st Congress of Japanese Pediatric Psychiatry, Tokyo, Japan, 6/25/04

Defining the Boundaries of TS: A Rare Disorder?

4th International Scientific Symposium on Tourette Syndrome, Cleveland, OH

June 26, 2004 (N.B.,

Enhancing patient benefits through novel treatment paradigms: A new era in the treatment of behavioural symptoms in the pediatric patient population

16th World Congress of the International Association for Child and Adolescent Psychiatry and Allied Professions, Berlin, Germany – 8/22/04

Optimizing clinical outcomes in children with autism and behavioural problems: Results from two multi-centre trials

16th World Congress of the International Association for Child and Adolescent Psychiatry and Allied Professions, Berlin, Germany – 8/23/04

Assessment of Children with Tourette Syndrome

16th World Congress of the International Association for Child and Adolescent Psychiatry and Allied Professions, Berlin, Germany – 8/24/04

Lecture Series in Iceland to Nordic Society of Child Psychiatry

Design and Conduct of Clinical Trials in Pediatric Psychopharmacology

- Goals and Interpretation of Clinical Trials: September 24, 2004

- Study Design: Part 1, 9/24/2004

- Study Design: Part 2, 9/24/2004

- Combined Treatments, 9/25/2004

- Measurement Issues in Child Psychiatry, 9/25/2004

- Practical Management of Clinical Trials in Children and Adolescents, 9/25/04

Evaluation and treatment of Pervasive Developmental Disorders

Baystate Medical Center Psychopharmacology in Primary Care Conference

Springfield, MA – 10/8/04

Use of Parent-nominated Target Symptom ratings in research and practice

51st Annual Meeting of the American Academy of Child & Adolescent Psychiatry

10/22/04

Guanfacine in Children with Pervasive Developmental Disorders

Lawrence Scahill, MSN, Ph.D

51st Annual Meeting of the American Academy of Child & Adolescent Psychiatry
10/22/04

Effects of Risperidone on Prolactin in Children with Autism
51st Annual Meeting of the American Academy of Child & Adolescent Psychiatry
10/23/04

Pediatric Psychopharmacology: Update and Review
International Congress of the Italian Society of Child Psychiatry
Modena, Italy; November, 2004

RUPP Autism Network: Risperidone Trial
International Congress of the Italian Society of Child Psychiatry
Modena, Italy; November, 2004

2005

Psychiatric Advances for Children and Adolescents
Advances in Pharmacologic Treatments
San Francisco, CA; February, 2005

Fifth Annual Research Workshop-European Child Psychiatry Association
Designing Clinical Research
Santa Croce, Italy; April, 2005

Twenty-Seventh Annual School Health Conference
Pediatric Psychopharmacology
Farmington, CT; May, 2005

Annual Conference National Assembly on School-Based Health Care
Autism and Pervasive Developmental Disorders
Providence, RI; June, 2005

Cape Cod Workshop on Pediatric Psychopharmacology
Week long course with Jean Frazier, MD
Brewster, MA; August, 2005

Pharmacological management of autistic spectrum disorders in children and adolescents
Eighth Annual Clinical Pediatric Psychopharmacology Conference
Montefiore Medical Center/ Albert Einstein College of Medicine
New York, NY; September, 2005

Annual Conference of Child Neurology Society
Epidemiology of Tics and Tourette Syndrome
Los Angeles, CA; September, 2005

Annual Meeting of the European College of Neuropsychopharmacology

Lawrence Scahill, MSN, Ph.D

Risperidone in Children with Autism
Amsterdam, Netherlands; October, 2005

Annual Meeting of the Society for Neuroscience
Treatment Update on Autism: Workshop Leader
Washington, DC; November, 2005

Child Psychiatry Conference
Advances in Pharmacological Management of Autism Spectrum Disorders
Bangkok, Thailand; January 25, 2006

International Nursing Congress
Prevention and Management of Chronic Conditions:
Social Skills Training in Autism
Bangkok, Thailand; January 26, 2006

International Nursing Congress
Prevention and Management of Chronic Conditions:
Treatment of Aggression in Children with Autism
Bangkok, Thailand; January 26, 2006

American Academy of Child & Adolescent Psychiatry
2006 Psychopharmacology Update Institute
Pharmacological Management of Children & Adolescents with Autism
New York City; January 28, 2006

Professional Service:

- 2003-2005 NIMH Ad Hoc Committee on the Assessment and Development of Psychosocial Interventions in Autism
- 2003 – present Center for the Advancement of Children’s Mental Health – **Columbia University (Committee on Treatment Recommendations for the Use of Antipsychotics for Aggressive Youth).**
- 2002 – present Behavioral Sciences Consortium – **Tourette Syndrome Association**
- 2000-present NIMH Study Section: Child Intervention Committee (ad hoc reviewer)
- 2000 – 2004 Expert Panel: Psychiatric Nursing – **American Nurses Credential Center**
- 1996-1998 Board Member - **Center for Psychopharmacology Education & Research,** University of Texas at Arlington
- 1996-present Editor: Medical Letter - **Tourette Syndrome Association**

1995-1998	Chair, Psychopharmacology Institute, Assoc. of Child & Adolescent Psychiatric Nurses
1994-present	Medical Advisory Board - Tourette Syndrome Association
1994-present	Editorial Board - J Child & Adolescent Psychopharmacology
1993-present	Editorial Board - J Child & Adolescent Psychiatric Nursing
1994-present	Editorial Board - J Mental Health Nursing
1993-1998	Chair Membership Committee, Assoc. of Child & Adolescent Psychiatric Nurses
1992-1994	Task Force on Psychopharmacology- American Nurses Association
1992-1993	Treasurer, Assoc. of Child & Adolescent Psychiatric Nurses
1992-1998	Board Member, Connecticut Chapter Tourette Syndrome Association
1991-1996	Chair, CT Chapter, Assoc. Child & Adolesc Psychiatric Nurses
1991-1992	Graduate Education Task Force - Assoc. Child & Adolesc Psychiatric Nurses
1987-1992	Editorial Board - Yale Journal of Biology & Medicine

Papers In Press

Anderson, G.M., **Scahill, L.**, McCracken, J.T., McDougle, C.J., Aman, M.G., Tierney, E., Arnold, L.E., Martin, A., Katsovich, L., Posey, D., Shah, B., Vitiello, B. and The Research Units on Pediatric Psychopharmacology Autism Network (in press). Effects of short- and long-term risperidone treatment on prolactin levels in children with autism.

Lecavalier, L., Aman, M. G., **Scahill, L.**, McDougle, C. J., McCracken, J. T., Vitiello, B., Tierney, E., Arnold, L. E., Ghuman, J. K., Loftin, R. L., Cronin, P., Koenig, K., Posey, D. J., Martin, A., Hollway, J., Lee, L. S., & Kau, A. S. M. (in press). The validity of the Autism Diagnostic Interview-Revised. Amer J Mental Retardation.

Courses Taught

Lawrence Scahill, MSN, Ph.D

2003-2005 – Child Psychopathology – Yale School of Nursing (co-teach with V. Hamrin)
2003-2005 – Clinical Supervision – Yale School of Nursing
2004- Models of Psychotherapy – Yale School of Nursing
2001-2005 – Neurobiology of Mental Illness – Yale School of Nursing
1997-2003 – Seminar on Research Methods – Yale School of Nursing
1997-2001 – Psychopharmacology – Yale School of Nursing (co-taught with K. Bailey)

Courses Developed

2003 - Child Psychopathology – Yale School of Nursing. Co-developed with Vanya Hamrin.

2001- Neurobiology of Mental Illness – Yale School of Nursing.

1997 – Psychopharmacology – Yale School of Nursing. Co-developed with Katharine Bailey
